

SPECIAL SITUATIONS COVERAGE

If a child is enrolled for less than five days, please note: Days cannot be exchanged. If you want a one-time additional day, the fee will be \$100. We do not run the program for your child when your school recesses for full day or if your child is home sick from school. The program will run when your school recesses for a ½ day.

Transport pick-up at school dismissal

To make it easy for you, transportation is provided from all **RIVERDALE SCHOOLS**. Return Transport is also available to home for an added fee.

Parent Pick-up

To add to the safety & convenience of the program, our counselors will escort departing students upstairs outside the Century building loading dock. This system prevents the parents from having to find parking and come inside to pick-up their child. We will be bringing children up every 30 minutes from 4 pm – 7:00 pm, on the ½ hour and hour only. Please call ahead!

Holiday Camp

During the winter and spring breaks, TCR offers a full day Tennis Camp at a discounted rate for Afterschool families. The camp runs from 9:00 AM – 4:00 PM with early drop off and late pick up available. Camp weeks can be kept on your account for up to two years and used whenever camp is in session. Holiday camp is available during:

- **Thanksgiving Break**
- **Winter Recess**
- **Mid Winter Break**
- **Spring Recess**

Cool down-late Pickup 6:00 – 7:00 PM

During this period kids can read, do home work and / or enjoy a café meal. The happy camper will be ready for pickup until 7:00 pm for your convenience, at no extra charge. TCR Learn & Play Activities

AFTER SCHOOL

Program follows your child's 2023/24 school schedule

Our students will be picked up each day at dismissal from school. Upon arriving at TCR, our kids will start with a snack that will give them the energy they need to complete their active afternoon.

Kids are broken up into groups by grade and are assigned to a counselor. Each group of up to 15 kids will be monitored by 2-3 counselors. Our kids will participate in three general program periods; sports, swimming and homework periods. Our youngest children will also participate in arts & crafts and story time.

We have incorporated a more focused approach to teaching and encouraging students to play chess, which increases problem solving skills as well as concentration and memory. Every day our students will spend 10-20 minutes reading independently, or for our youngest children, Partner reading or story time.

SPORTS PERIOD

During this period, our staff will provide fundamental instruction to enhance sport specific skills in our gymnasium, dance studio, tennis courts and golf center. In addition, students will participate in fun movement drills to improve fitness and general coordination.

SWIM PERIOD

Everyday our campers have an opportunity to swim. The staff will run drills for skills and allow some time free for swim. We at TCR feel that participating in swim is beneficial to our campers and require a note from home if a child is not going to swim.

Students will receive one swim instruction period per week!

HOMEWORK

Counselors will monitor all camper assignments to make every effort to have students complete such in the allotted time. If a child needs additional time to complete an assignment, then time will be taken from other activities. Unfortunately, we are not able to provide one on one homework tutoring. All campers will have daily reading and chess period.
